**RWANDA MINES, PETROLEUM AND GAS BOARD (RMB)**

**PUBLIC NOTICE**

The RMB management would like to inform the accredited environmentalists who prepare the Environmental Management Plan (EMP) for the mining/quarrying related projects that every EMP must contain a clear Environmental rehabilitation plan and the associated budget.

The Environmental Rehabilitation budget for every mining or quarrying project shall serve as the basis for determining the environmental rehabilitation guarantee to be deposited at FONERWA by the concerned party.

The RMB management recalls that the environmental rehabilitation guarantee is refundable on condition that the concerned party has successfully rehabilitated the mining/quarrying site after the mine closure.
