

PUBLIC NOTICE

Temporary Suspension of New Mineral Trading License Applications

Kigali, June 24th, 2025

The Rwanda Mines, Petroleum and Gas Board (RMB) wishes to inform the public and all stakeholders that we will temporarily suspend the acceptance of new applications for Mineral Trading Licenses, with immediate effect, until further notice.

This necessary measure will allow RMB to review and enhance the current regulations governing mineral trading licenses. Our goal is to improve service delivery and strengthen regulatory compliance across the mineral trading sector.

Please note that the renewals and amendments of existing licenses will not be affected by this temporary suspension.
